

West of Scotland Archery Association

Fee structure set at the Extraordinary General Meeting held on 25-April-2010, *with proposed amendment to take account of the pro rata fees (for new members only) due from Jan-2011.*

The fee set is for one year only, to recoup some of the excess expenditure incurred during 2009-10 and to provide sufficient funds to finance the Pentangle shoot, due to be held in this area in 2011.
