

### **CLUB TEAMS TWELVE MONTH TOUR**

The Eastern Area is running a club team league that will run over a period of 12 months starting in October 2011 for all clubs in Scotland.

There is no cost involved at all to this league.

#### **The Principle**

Most tournaments have awards at the end of the day for club teams. The Tartan tour has been created to try encourage club pride and participation rather than awards always being about the same individuals and clubs. The format is about shooting for your club not just as an individual, it is about mixing Adults and Juniors so that everyone can take part and it's about getting everyone involved, you may not score a PB on the day but your score no matter what it is will be very valuable, your club can use it and grab some Tartan Tour points.

The team that always comes first may not necessarily win the tour as a team coming lower than first may go to more tournaments and therefore win overall .

Teams do not have to be pre notified ,they will be taken automatically from the results and will be based on the highest 3 scores from a club and will include junior scores also.

#### **What your club has to do.**

Nothing except enter your members in to open tournaments with judges officiating. All indoor and outdoor rounds will count You don't even have to notify me that you had enough for a team, I will do it all for you.

#### **The teams**

3 Mixed recurves

3 Mixed compounds

3 Longbow and Barebow (mixed)

#### **The rules**

Only one team per division per club at any tournament.

In order to make it fair for clubs which don't or can't organise "home " shoots requiring their teams to travel in order to participate ,those clubs which host multiple shoots will be limited to using only 2 "home" tournaments for the Tour. The 2 highest team points from the "home" shoots will be taken for each division.

Only Scottish tournaments will count for the league.

### Points awarded

1st place 14 points

2nd place 12 points

3rd place 10 points

4th place 8 points

5th place 6 points

6th place 3 points

7<sup>th</sup> place 2 points

The points are awarded regardless of the number of teams at the shoot. i.e if only one team present they get the 14 points.

### The rewards

The winning club in each division will receive a very unique trophy made especially for the Tour by Maurice Clark who makes the special Penicuik trophies.

The tour could raise the profile of your club and will hopefully help to increase participation and entries for tournaments.

There will also be some spot prizes at the end of the Tour.

### What I will commit to do

Keep a database of all clubs teams and points awarded that will be available to anyone on request to check it.

Publish a table of league places and total points on a regular basis on the website.
