

COMMONWEALTH ARCHERY CHAMPIONSHIPS

NEWSLETTER 8TH SEPTEMBER

Fund Raising News

Well, funds have really started to roll in. We now stand at £2,338 against our target of £3,000.

We are grateful to Glasgow (several times), Links, Pentland, Falkirk, Penicuik, Banchory, Ayr and Oban & Lorne Clubs and the Eastern Area for their pledges and contributions.

We have also had personal donations from Muriel Kirkwood, Bob McGonigle, Elayne & Norrie McLean, Moira Taylor, George Thomson, Bob Provan, Frank Schallmoser, the Judges and anonymous donors.

We are also glad to say that we have in-kind donations from two companies – Armex and Aim4Sport, and that Glasgow 2014 has supplied branded goods for the team including T shirts.

At the web site (www.scottisharchery.org.uk), we have continued to add resources and ideas for fund raising. We've told you how to write to your local MSP to get them involved. We also have added some great ideas from clubs.

We are well on the way
BUT
We still have not heard from a lot of clubs!

So, this is the time to get involved and make the last push for home to reach the target that we need to send a full team to India.

Bob McGonigle
India Fund Co-ordinator

Event News

Negotiations over airfares have now been completed and I am just awaiting the selection process to complete to confirm the flight details.

There are a number of matters that require the attention of potential archers. They are all on the newflash section of the web site.

- Get inoculated
- Check the dates as they have changed
- Check you have a passport with 6 months to run

We've been searching the web and found this picture of the Tata stadium in Jamshedpur.

Also, we found this old picture of Indian archers shooting.

Norrie McLean
Senior Team Manager
