

Montrose Celtic Challenge 29th / 30th July 2006

Saturday – 70m round and individual H-H Sunday – 70m round and mixed team H-H Results

Note:

- 1 The entry list being low, the individual head to head was modified to include a round robin elimination with the top 4 archers progressing to the finals matches. Gents recurve and compound entries were both split into 2 qualifying groups using Saturday 70m round ranking positions and standard seeding table. At the semi final stage winner of group A shot against 2nd place group B and winner of group B shot against 2nd in group A.
- 2 In the team competition mixed teams were created using the overall ranking of all archers from Saturday 70 m round. This meant the teams were broadly the same strength.
