

Montrose Celtic Challenge 28th / 29th July 2007

Hosted by Links Archers at the Broomfield, Montrose

Saturday – 70m round (WRS) and individual H-H (WRS)
Sunday – 70m round (WRS) and mixed team H-H

Results

Note:

- 1 The individual head to head included a round robin elimination with the top 4 archers progressing to the finals matches. Gents recurve and compound entries were both split into 4 qualifying groups, ladies recurve to 2 groups and ladies compound 1 group using Saturday 70m round ranking positions and standard seeding table.
- 2 All archers in a group shot against each other, scoring 2 points for a win, 1 for a draw and 0 for a loss.
- 3 For 4 groups winners of each group progressed to semi final, AvB CvD
- 4 For 2 groups at the semi final stage, winner of group A shot against 2nd place group B and winner of group B shot against 2nd in group A.
- 5 For 1 group 1st & 2nd shot in gold final, 3rd & 4th shot in bronze final
- 6 In the team competition mixed teams were created using the overall ranking of all archers from Saturday 70 m round. This meant the teams were broadly the same strength.
- 7 Because of the weather conditions the team event was a straight knockout competition instead of round robin. All archers were happy with this change.

I would like to thank all those who assisted in making the tournament a success. In particular: the Links Archers field party led by Bob Provan who also stepped in as a judge for the team head to head. Also Malcolm Alexander for providing the electronic scoring system and coping with the changes to the target list throughout the weekend

Thanks also to those who returned the questionnaire.

87% voted to retain the individual head to head round robin format. The vote on team format was close with 55% for retaining the team competition and 45% for a second individual event. Only 20% said that a change would affect their decision to attend next year and these were equally split between those voting for the team head to head and those who wanted a change to individual head to head. We will review the results and any others that come in before deciding any changes.

Weather: Very windy (left to right) Sunny to overcast with occasional light showers

Judges : Bill MacKay, Bill Gilchrist, Norrie McLean, Karen Henderson, Frank Schallmoser, Bob Provan

Lady Paramount : Mrs Fiona Provan

Tournament Organiser : Alan Wood, 7 Woodlands Place, Inverbervie, DD10 0SL.
