

Celtic Challenge Premier Event – 31st July & 1st August 2010

Hosted by Links Archers at Lathallan School Johnshaven

**Saturday – 70m round (WRS) and individual H-H (WRS)
Team handicap H-H (Non record status)**

Sunday – 70m round (WRS) and individual H-H (WRS)

Results

The number of entries for this year was disappointingly small and the tournament was in danger of being cancelled, however a burst of late entries made a small but very enjoyable shoot. The format of the tournament was modified to “non elimination” head to head, because of the small numbers, and ladies and gents combined into 1 group. Ladies awards were based on their final ranking. The new format was very well received and will be used, where practicable in future years. The low number of H-H rounds also allowed time for a non record status Team handicap head to head competition on Saturday

I would like to thank all those who assisted in making the tournament a success.

In particular:

The Links Archers field and admin parties

Malcolm Alexander for providing the electronic scoring system,

Oiltechnics Ltd for the equipment transport

Lathallan school for the beautiful location.

Links Archers Ladies and Alice Coweson for running the burger stand which raised money for the SAA junior team.

I hope to see you all back next year with your friends to make it an even better tournament.

Alan Wood

Weather: Saturday mainly dry and overcast with occasional heavy showers, little wind
Sunday mainly dry and overcast with occasional heavy showers

Judges : Bob Provan, Frank Reid, Karen Henderson, John Sullivan

Gentleman Patron : Mr Richard Toley (Headmaster of Lathallan School)

Comments and suggestions for next year's competition welcome

NON Elimination head to head:

In non elimination head to head all archers continue through all rounds. Each archer was issued with a ranking card and at the end of each match the winner took the lowest number card. The cards also showed which target the archer holding the card went to for the next round.

All rounds except the finals were 6 arrow sets with 2 archers per target. Finals were 3 arrow sets, individual targets and alternate shooting.

If you wish more information on how this format is run please email the organiser.

Teams were mixed sex and/or style with handicap calculated by :

(2160 minus total team score from ranking round) divided by 10 and rounded down to a whole number.

Handicap was added to first end score and flip boards used to show running totals. Thus lower handicap team were playing catch up
