## Minis, Geckos, Spiders, Tykes, Tigers...anyone seen an archer round here?

Thanks to all the Juniors for taking part and to all the support crew (Parents and club members).

Much fun was had by all and we very much want the EAJL to continue growing and getting bigger and better encouraging as much participation as possible.

Please note that for the Second Leg, Bannockburn have offered up a full Portsmouth for participants. We appreciate that for some of our younger and newer members this is maybe a bit too long so for the U14 category only the first 36 arrows will count towards your score, however if you want to stay on and finish the full Portsmouth that's great!

Also be aware that Bannockburn need to know who is coming in advance so there is a closing date for the entry.

The league will continue at Bannockburn for the second leg where we would like to invite all Juniors in the Eastern Area to take part. Prizes for the night will be something of the edible description again however I am delighted to confirm that the Eastern Area have kindly given me a budget for the enterprise and therefore prizes at the Third and final leg at Cupar will be more exciting.

...wait a minute - more exciting than Chocolate?

See you at Bannockburn!

Kevin Young, Eastern Area CDC
