A really big thank you to all the helpers: Nancy and Colin Downie, Kevin Parkin, Ann Ward, Mary Breakwell, Ian Lambert, Jason Craig and Helan Cresswell.

And to the braver archers who braved the weather conditions for both days.

Ancient Society of Kilwinning Archers

Report of Open Day and Papingo held on 11-Aug-2019

Kilwinning Round:

The weather was very wet but winds were light.

After 3 dozen arrows, and continuous rain, the competitors voted, unanimously, to shoot the rest of the competition without taking a break. As a result, the competition finished at 13:30hrs, giving plenty of time for everybody to 'get a bite' then and dry off, a bit, before the Papingo shoot at the Abbey Tower.

The full results, and awards, for the Kilwinning Round are listed below.

Papingo:

The Papingo started at 14:58. The weather quickly worsened and it got very, very, wet. The wind also got stronger, but it was in a direction that allowed shooting to continue.

Bob Inglis struck the bird with the 12th arrow, of the competition, to win the Rose Bowl and Gold/Green rosette. Shooting continued until 17:06 with no further hits although the Doo had a few narrow misses. This included one pole strike and an arrow (shot by John McKellar) that caught the pole just behind the Doo and executed a full 360 degree pirouette around the pole before heading back down. The doo did not flinch at this near miss!

The Award Ceremony was held in the Kilwinning Abbey Tower at 16:30, to allow the Irish contingent to get away and catch their boat back over to Belfast.

Thanks are due to ASKA helpers, Brian Boyd, Scott Kendal, Dave Tough, Craig McLellan (who did trips up and down the tower and acted as Field Captain during the morning round), Bruce McLellan, Laura McHarg and Willie McGill who provided some home-made cake, courtesy of his wife Margaret.

Also, thanks to the staff of Kilwinning Heritage who helped everyone dry off. Especially when Stuart Wilson was trying to work out the results from the 'papier mache' score sheets.

Organiser: Josie Herd (Email: joherd87@gmail.com)
 Weather: Overcast with sunny spells. Gusty wind at times.

The organisers and Balbardie Archers would like to thank all the archers who came along to make the shoot such a success. We would also like to offer grateful thanks to the field party without whom the shoot would not have run so successfully.

Thanks again to all who assisted in the running of the competitions especially Grampian Bowmen, Lethen Archers and Banchory Archers. Congratulations to Heather Gordon for winning the "Spot the Deliberate Mistake Competition" - The sticky labels on the medals had the wrong event printed on them!

NB. Prizes were awarded based on information provided on entry sheets. No apology is made to those who lost out because the necessary details were not provided.

Thanks again to all who assisted in the running of the competitions especially Grampian Bowmen, Lethen Archers and Banchory Archers. Congratulations to Heather Gordon for winning the "Spot the Deliberate Mistake Competition" - The sticky labels on the medals had the wrong event printed on them!

NB. Prizes were awarded based on information provided on entry sheets. No apology is made to those who lost out because the necessary details were not provided.

As National Tournament Organiser, I wish to acknowledge the work of the venue organisers, work parties and judges, without whom this tournament could not possibly work.

I also wish to acknowledge the help from my good friend and advisor, Chris Bushell, who is always willing to lend a hand or, more importantly, an ear.

Congratulations to all you archers: the weight of your numbers and your impressive geographical spread make this a tournament worthy of its title.

A special mention for Dr. Orla O'Connor, who shot the highest ladies score, but is not a British National, and Jason Meehan for shooting the second highest score in the history of the event.

Once again, thanks to our sponsors, Wales Archery Specialists, who have supported this tournament from its inception.

Finally, my sincere thanks to my wife, Jane, who puts up with a lot of work not being done on our home so that I can organise this tournament for you.

Organiser's Trophy (awarded at my discretion)

Harold Aspinwall, whose lower limb started splitting on FITA day one. It was glued and taped and he continued to shoot till lunch time on day 2, when he set off for the practice field with a borrowed bow. He returned with sight marks and completed his Metric.

Thank you to our Judges, Frank Hughes, John Allison and Karen Henderson for keeping us all in order.

Thanks to Michael, my "right hand man", who is always there when I need help.

Thanks to the Committee, without whose support organising the week would be a nightmare, especially Pete Austin (chairman) who liases with the Armadale Staff over care of our equipment and goes shopping for the prizes, and Karen Henderson (treasurer), who organises the team who spent all day on Sunday setting up the field course. Don't we all love the foot in the burn one?

My thanks to all the archers who came this year. You made the week feel like a great big family holiday, and didn't we have a good ceilidh on Friday?

There are some people who shot all four days but didn't ask for a Midge badge. Send me your payment (£4) and I will send the badges out as soon as I have them.

Finally our thanks to the Armadale Castle Staff and Gardeners for all their hard work before and after we trampled all over the lawn and to the Forresters who helped transport the equipment

trampled all over the lawn, and to the Forresters who helped transport the equipment.

Lady Paramount was Miss Norma Smith Persident of Lochside Bowmen

Weather was sunny but breezy. Thanks must go to the members of Lochside who helped set up the field on Saturday and to all who helped with the field on Sunday.

Medals were awarded on the scores handed in. Scores shown in red have been altered after all additions were checked and also due to arrow values being different on 2nd score sheet.

Congratulations to those who broke records and achieved personal bests.

Presentation of Awards and Final Results

Venue	University of Edinburgh, Peffermill Playing Fields, 42 Peffermill Road, Edinburgh, EH16 5LL
Gentleman Patron	Derrick Lovell, President, Archery GB (Saturday) Michael Mather, Chair, Scottish Archery (Sunday)
Judges	Bob Provan, Douglas Blyth, Andrew Duff, Alistair Paton, Michael Mather, Jules May, Cameron Ross
Tournament Organisers	Norrie and Elaine McLean 18 Clerk Road Penicuik EH26 9HB Email: cornbank18@btinternet.com Website: www.scottisharchery.org.uk
On the day Scoring	Martin Symonds
Weather: Saturday	Heavy Rain, slight breeze, moving to overcast, clearing to dry with sunny periods, humid and warm.
Sunday	Sunny, overcast with slight showers and cooler with humid periods.

The organisers would like to thank everyone who helped with preparatory work and provided support during the weekend of the competition, in particular Edinburgh University Archery Club Field Party, Penicuik Archers and friends, Josie and David Herd of Balbardie Archers, the Judging Team and the staff at Edinburgh University; be that the team who looked after the accommodation or those involved at Peffermill Playing Fields. We would also wish to record our thanks to Prestonfield Golf Club who provided the banquet at the Euronations Competition award presentation. Without those often unsung heroes the event would not have been a success.

Our grateful thanks also go to MRM Archery who donated towards the costs of the tournament faces, Penicuik Archers in providing the prizes for Open events held on Saturday and Sunday and also to sportscotland for their continued support.

Thank you

Elayne and Norrie McLean

Scottish Archery Indoor Face to Face
Sunday 19th February 2017 **Mearns Academy Campus, Laurencekirk**

Mearns Academy campus hosted the second Scottish Archery Indoor Face to Face on Sunday 19th February. This tournament, developed by local coach and tournament organiser Alan Wood, enables archers of all levels to experience shooting in a match play tournament similar to that done at international level. There were a total of 48 archers from all over Scotland competing in 8 divisions, ranked by ability, of 6 archers each. Each archer in a division shot in matches against the other 5, gaining points for each match won or drawn. Inevitably this resulted in archers with the same number of points so, to set the final placings, some archers went into a 1 arrow shoot off which certainly gave an exciting finish to the tournament.

Disappointingly there were very few juniors competing. Hopefully clubs will encourage more juniors to enter next year.

A big thank you to all the local archers who helped with the organisation of the tournament and our judges for making themselves available.

Any one who would like more details of the tournament format, timing, etc please contact Alan Wood

The sample result sheet includes entry sections for all bow/gender divisions where national records are maintained.

The information is the minimum required by the records department of GNAS.

If required for a ident/GNAS No. or other purpose etc. further columns and/or rows can be added by the tournament organiser,

Bow/gender divisions can also be deleted if there are no entries in that division.

Scores entered in the unmarked and marked section will automatically transfer to the totals columns for final sorting.

Sorting is done when all scores are in for a bow/gender division i.e. ladies barebow.

Using a mouse place curser on A17, hold down left button and drag to Q22 and release

With the selection highlighted for Arrowhead rounds

Go to Data - sort sort by column 0 decending - then column P decending - then column Q decending - sort

For FITA rounds, Go to Data - sort sort by column 0 decending - then column N decending - then column P decending - sort

Weather Wet with slight breeze

After shooting the first half of the competition the archers voted on continuing. The decision was to stop with the prizes awarded as per the mid way placing

Note:

On checking the score sheets there were several errors found which affected the outcome of the final placings. However all prizes awarded on the day will stand. Penicuik Archers will resolve any outstanding awards with the individuals concerned.

Team Trophy

To be eligible for the Team Trophy, clubs must enter at least 3 archers.

Grampian Bowmen were the only club that qualified - Mike Williams, Ruth Williams & Malcolm Alexander = 4079.

I would encourage the archers to bring more of their club mates rather than cut the numbers required.

Judge

John Sullivan (County)

Congratulations the 6 Gold Badge claimants: -

- Stuart Gordon, Lethen Archers
- Mel Sullivan, Scottish Graduate Bowmen
- Jack Stott, Broch Archery Club

Thanks to all who helped prepare for the day and helped on the day.

Also, thanks from Glamis Castle for leaving the field in such a tidy condition. It was much appreciated.

We hope you enjoyed our shoot and look forward to seeing you next year!

SAA JUNIOR, U21 AND SENIOR NOVICE CHAMPIONSHIPS

Results of the 2015/16 championship hosted by Links archers
 Montrose Sports Centre- 25th October 2015
 Scottish record status - Portsmouth round

Firstly apologies to Kirsten Scoular and Caitlyn Aiken. An administrative mixup with Kirsten's AM and PM scores meant Caitlyn was incorrectly awarded junior champion on the day. Thanks to Caitlyn this was corrected before they left the hall.

Apologies to those winners who did not receive trophies. I am trying to retrieve or replace the missing ones. This is the 13th year the tournament has been hosted by Links Archers. A record number of 27 categories (2 more than last year) were competed for and 4 Scottish records broken. The new style score sheets were mostly filled in correctly and any feedback on them would be appreciated. There were, on post tournament checking, only 5 scoring errors and non affected the awards. I hope everyone enjoyed the day and hope you all return for next year's tournament wherever it may be.

Warwick and fun day hosted by Links Archers

Saturday 13th May 2017 Lathallan School, Johnshaven

Despite a misty start there was great fun to be had at our first out door day of the season. The Warwick round was sot in the morning followed by a splendid BBQ lunch provided by School chef James and a demonstration of Flemish twist longbow string making by Stephen Hall. After lunch it was open range on the Warwick field including taster session at 10yd for families and a jelly bow clout on a separate range. The new rules for dual ranges worked very well for this. The jelly bow clout was shot at one of 2 distances 80yd and 50yd to accommodate those who could not reach the longer distance. The jelly bows were restricted to 20lb maximum. Thanks to all those who helped set up and clear away the range.

Warwick and fun day hosted by Links Archers

Saturday 12th May 2018 Lathallan School, Johnshaven

Overnight rain disappeared to give us a beautiful sunny day for our first out door day of the season. The Warwick round was shot in the morning followed by a splendid BBQ lunch provided by Lathallan South Africa fund group who sponsor an orphanage there. All profits from the shoot were donated to this worthy cause. After lunch it was open range on the Warwick field and a jelly bow clout on a separate range whilst James Laing gave a demonstration of string making. The new rules for dual ranges worked very well allowing both ranges. The jelly bow clout was shot at one of 2 distances 80yd and 50yd to accommodate those who could not reach the longer distance. The jelly bows were restricted to 20lb maximum. Thanks to all those who helped set up and clear away the range.

May I express my thanks towards all those who assisted in the running of this shoot,

and all the other competitions that I have organised in the past, especially James and Morna, Mike and Ruth, Jim and Elaine, and Ray McClung.

As yet, there have been no definite offers to take on the role of organiser for the Northern Area Indoor Champs, Outdoor Champs or SAA Double FITA Star (NA). Three people have expressed an interest but have asked for further information before committing themselves. These competitions will not take place next year if no-one volunteers!!!! There are only a few weeks left before the deadline for the BRS application for the Indoor Champs!

Oban And Lorn Archers Portsmouth Open Shoot 26th Jan 2003 - Results

Thanks to all who attended and hope you all had a safe journey home. Hopefully the fire alarm in the afternoon didn't upset your shooting too much! It's certainly a different excuse for you to use.

Awards Claimed: 2 x World Archery Stars
3 x WA Target Awards

Penicuik Archers would like to thank everyone who helped them in the preparatory work and provided support during the weekend of the competition. Without these often unsung heroes it would not be possible for this event to be run by the club. We would also like to thank those people who are not members of Penicuik Archers but who also support the event through their assistance in setting up the field, helping out in the kitchen, officiating and also not forgetting Brian of Midlothian Council who looks after us in caring for the Changing Rooms.

Thank you

Elayne and Norrie McLean

Note from the Tournament Organiser

Penicuik Archers would like to thank everyone who helped in the preparatory work and those who provided support during the weekend of the competition. Without those often unsung heroes it would not be possible for this event to be run by the club. We would also like to thank those people who are not members of Penicuik Archers but who also support the event through their assistance in setting up the field, helping out in the kitchen, working as members of our field party, the scoring team and last but not least the judging team. We should not forget to thank Midlothian Council with their continued support in helping Penicuik Archers in preparing the competition field, the loan of equipment and also the attendance of a member of its staff during the weekend.

Profits from the sale of food and other refreshments during our competitions are used to raise funds for local charities. This year Penicuik Archers fund raising activities will be donated to the Lothian Disability Sport. This is all part of our annual fundraising program and we acknowledge your part in contributing to the overall donation made by Penicuik Archers.

Thank you all for your continued support.

Elaine and Norrie McLean

PENNY CHALLENGE 2019

Final Results

22 & 23 June 2019

For Ladies and Gents, Compound and Recurve archers the overall placing is based on the results from the 70 and 50 metre Rounds, H2H finishing position and the WA 1440 rounds. The points awarded relate to the archer's final position in each round, no adjustments have been made to those positions to take into account the scores of archers who shot rounds in some of the categories but did not complete all three stages of the Penny Challenge. In the result of a draw according to the total points the placings will be decided on the score achieved in the WA 1440 round.

The final results for the Total Points in the 1440 Masters, Longbow and Junior categories have been worked out using different criteria from that used to work out the Gents and Ladies Recurve and Compound categories.

Rather than basing the results on the placing achieved in each round the scores of each archer in the 720 and 1440 rounds have been added together, taking into account that they shot the 1440 rounds appropriate to their gender/age. In addition to qualify for the awards the archers must have taken part in the H2H round. The results are based on the highest overall points scored by each archer

Note from the Tournament Organisers

Penicuik Archers would like to thank everyone who helped in the preparatory work and those who provided support during the weekend of the competition. Without those often unsung heroes it would not be possible for this event to be run by the club. We would also like to thank those people who are not members of Penicuik Archers but who also support the event through their assistance in setting up the field, helping out in the kitchen, working as members of our field party, officiating and also not forgetting Midlothian Council which supports us through marking out the competition field and staffing the changing room facilities.

This year Penicuik Archers is fund raising at each of our three outdoor tournaments to enable us to make an end of year charitable donation to 2 cancer charities. Many hours of work are given freely by club members and associates to ensure there is a supply of food and drinks, raffle prizes and other fund raising activities held during our shoots. This is all part of our annual fundraising program and we acknowledge your part in contributing and supporting us make our overall donation.

Thank you all for your continued support.

Elaine and Norrie McLean

Hope we will see you all in September at the Penny Pick 'n Mix. If you intend to take part in the competition remember to wear something pink on Sunday 4 September 2016.

Overall placings given below are based on the results for 70 and 50 Metre Rounds, H2H Rounds and WA 1440 Rounds for Ladies and Gents Compound and Recurve events. The placings shown below may differ from those shown on the RESULTS pages for each element of the completion. The placings below have been adjusted following the removal of those archers who did not take part in or complete all elements of the Penny Challenge Tournament 2016.

The final results for the Longbow, Barebow and Junior categories have been worked out using different criteria from that used above for the Compound and Recurve Ladies and Gents Rounds. Instead of using the overall placing their actual scores have been used from the 720 round and added to the 1440 round scores. For Juniors the 1440 rounds which they shot are appropriate for their individual age groups and therefore this provides a suitable measurement to compare their overall scores across the recurve and compound categories.

Note from the Tournament Organisers

On behalf of the Eastern Area, Penicuik Archers hosted the inter county Pentangle shoot which was based on the scores achieved by nominated archers representing their Area Teams while shooting the WA 1440 rounds. We welcomed teams from the Scottish Archery Eastern and Northern Areas, together with archers from Cumbria County Archery Association. Whilst the scores from individual archers have been listed in the Penny Challenge 1440 round the final results from the Pentangle component will be published separately.

Penicuik Archers would like to thank everyone who helped in the preparatory work and those who provided support during the weekend of the competition. Without those often unsung heroes it would not be possible for this event to be run by the club. We would also like to thank those people who are not members of Penicuik Archers but who also support the event through their assistance in setting up the field, helping out in the kitchen, working as members of our field party and the officials. We should not forget to thank Midlothian Council with their continued support in helping Penicuik Archers mark out the requirements for the competition field, the loan of equipment and also the attendance of a member of staff during the weekend.

This year Penicuik Archers fund raising activities will be sent to Forth One's Cash for Kids appeal. Any profit from the sale of food and other refreshments during our competitions is one of the ways we use to raise funds for our nominated charity. This is all part of our annual fundraising program and we acknowledge your part in contributing to the overall charity donation made by Penicuik Archers.

We also said farewell to one of our National Judges. Norrie had previously decided that he was going to retire as a judge at some point during this year. Although he does not officially step down until September 2017 his last "official" appointment as a judge was at the Penny 2017, but don't be surprised if you see him officiating elsewhere during the summer.

Thank you all for your continued support.

Elaine and Norrie McLean

Final Results

17 18 July 2017

Overall placings provided below are based on the results from the 70 and 50 Metre Rounds, H2H finishing position and the WA 1440 rounds for Ladies and Gents, Compound and Recurve. The points awarded relate to the archers final position and no adjustments have been made to these to take into account archers who shot scores in some of the rounds but did not complete all three stages of the Penny Challenge 2017

The final results for the Total points in the Longbow and Barebow categories have been worked out using different criteria from that used above.

Rather than using the overall placing in each round the actual scores for the 720 and 1440 rounds have been added together. In the barebow and longbow categories the archer must have shot in the H2H round. The results are awarded based on the highest overall points.

Note from the Tournament Organisers

Penicuik Archers would like to thank everyone who helped in the preparatory work and those who provided support during the weekend of the competition. Without those often unsung heroes it would not be possible for this event to be run by the club. We would also like to thank those people who are not members of Penicuik Archers but who also support the event through their assistance in setting up the field, helping out in the kitchen, working as members of our field party and the officials. We should not forget to thank Midlothian Council with their continued support in helping Penicuik Archers in preparing the competition field, the loan of equipment and also the attendance of a member of its staff during the weekend.

This year Penicuik Archers fund raising activities will be donated to two local charities. Profits from the sale of food and other refreshments during our competitions is one of the ways we use to raise funds for our nominated charities. This is all part of our annual fundraising program and we acknowledge your part in contributing to the overall donation made by Penicuik Archers.

Thank you all for your continued support.

Elaine and Norrie McLean

PENNY CHALLENGE 2018

Final Results

23 & 24 June 2018

For Ladies and Gents, Compound and Recurve archers the overall placing is based on the results from the 70 and 50 Metre Rounds, H2H finishing position and the WA 1440 rounds. The points awarded relate to the archers final position in each round, no adjustments have been made to those positions to take into account the scores of archers who shot rounds in some of these categories but did not complete all three stages of the Penny Challenge.

The final results for the Total Points in the Longbow, Barebow and Junior Categories have been worked out using different criteria from that use for Gents and Ladies Recurve and Compound.

Rather than basing the results on the placing achieved in each round the scores by each archer in the 720 and 1440 rounds have been added together, taking into account that they shot the appropriate 1440 rounds. In addition to qualify for the awards the archers must have participated in the H2H round. The results are based on the highest overall points scored by each archer

Elaine and Norrie would like thank Penicuik Archers for agreeing to host this event and the competitors who came along to the competition. It was nice to see so many taking part in their first tournament .

Thanks to Liz Garrigan and Norrie McLean for taking on the role of field captains and keeping us right. Nothing new there!

Competition: Nine targets , three at each distance 50M, 40M and 30M which were faced up with either a 60, 80 or 122cm target face. Each archer shot 6 arrows at a target and then moved to the next target which was at a different distance with a different target face and so on until each competitor had shot the 9 targets. After completing the first round we had a short break for lunch with the process starting again with each archer shooting a further round of nine targets.

Weather - was miserable: Starting fair but overcast, then the rain started - drizzle, changing to heavy rain and just to end the day mist which affected visibility and the safety line - as in it was no longer clearly visible. Unfortunately this meant that the shoot was abandoned after we started shooting the 2nd round.

Results: Prizes were awarded to those archers who started shooting the 2nd round, however, the results shown are all based on the scores achieved at the end of the first round. The scores from the 2nd round were not included in the final results.

Email: competitions.lasswadeac@gmail.com

Lady Paramount: Mrs Judith Hawker

Judges: Andrew Duff, Norrie McLean

The organiser would like to thank everyone for their assistance throughout the shoot, thank you to all the archers who took part and made the shoot a success. A special mention to Lance Hawker, and Norrie and Elaine McLean for their support in taking over this competition under difficult circumstances.

Many congratulations to all the archers who are claiming records for the Single and Double Worcester rounds.

Judges for the day were John Sullivan and Liz Garrigan with Jules May as candidate judge.

Lady Paramount was Miss Norma Smith Persident of Lochside Bowmen

Weather was breezy, chilly with scattered showers. Thanks must go to the members of Lochside who helped set up the field on Saturday and to all who helped clear the field at the finish.

Medals were awarded on the scores handed in. Scores shown in red have been altered after all additions were checked. Congratulations to those who broke records and achieved personal bests.

Judges: Liz Garrigan (COJ), Norrie McLean, Douglas Blyth
Lady Patron: Victoria Barby, SAA EA President
Organiser: Lance Hawker, 23 Terregles, Penicuik. EH260AZ. 07941361453
Weather Day 1: Showers, light breeze, cold.
Weather Day 2: Occasional light showers, windy with very strong gusts in the afternoon, warm

NOTE: The competition was cancelled on safety grounds after 6 arrows of the final distance on Sunday. The wind was gusting and making it difficult for the archers to stand safely.

Scottish Archery Indoor Face to Face Sunday 10th February 2019 Mearns Academy Campus, Laurencekirk

Mearns Academy campus hosted the 4th Scottish Archery Indoor Face to Face on Sunday 10th February. The tournament was developed by local coach and tournament organiser Alan Wood so that archers of all levels could experience shooting in a match play tournament similar to that done at international level. There were a total of 54 archers from all over Scotland competing in 9 divisions, ranked by ability, of 6 archers each. Each archer in a division shot in matches against the other 5, gaining points for each match won or drawn. Inevitably this resulted in archers with the same number of points so, to set the final placings, some archers went into a shoot off which certainly gave an exciting finish to the tournament. Thanks to a strong entry of top archers we were able to run 2 championship divisions for recurve and compound.

The Mearns Archers club was only formed 5 years ago so it was a tremendous honour to continue be selected as the tournament host. Members did the club proud by taking several medals. A big thank you to all the local archers who helped with the organisation of the tournament and our judges for their hard work.

Any one who would like more details of the tournament format, timing, etc please contact Alan Wood

SAA JUNIOR, U21 AND SENIOR NOVICE CHAMPIONSHIPS

Results of the 2015/16 championship hosted by Links archers
Montrose Sports Centre- 25th October 2015
Scottish record status - Portsmouth round

This year's tournament, the 12th year hosted by Links Archers, was one of the best turn outs in several years with all available places filled. A record number of 25 categories were competed for and 3 scottish records broken. The new style score sheets were mostly filled in correctly and any feedback on them would be appreciated. There were, on post tournament checking, 15 scoring errors but non affected the awards, although one archer did sign for 111 points less than they shot. I hope everyone enjoyed the day and I look forward to next year which will probably be the last hosted by Links Archers as the tournament goes out to tender for 2017-8.

Once again the Ayr club members rose to the occasion and put on a great shoot. Big Thanks, to all, but mainly, Kevin Parkin, George Morton, Willie Roney, Mary Breakwell, Colin and Nancy Downie, Kevin McNaught, Ursula, Helen, and Ann for the scoring. And a thank you to Elaine and Norrie McLean for assisting in recovering from software bug.

Ayr have held the Championship for 4 years, and the club have decided it is time for another club to pick up the baton.

Lord Paramount

Mr. Michael Mather SAA President

The turnout was good. Hall was filled to capacity. 10 targets x 4 archers.

Of the 40 archers;

35% were Junior gents
5% were Junior Ladies
50% were novices
10% were under 21

Thanks to all who helped on the day.

SDS National Archery Championships in partnership with Scottish Archery

March 10, Armadale Academy

The competition was ran over 4 sections on a round robin basis with every arrow scoring and the results dictated by the individual's cumulative score.

The sections were arranged following a qualification shoot and archers were grouped by ability.

Many thanks to the volunteers from the Falkirk Company of Archers for their significant support of this competition.

*The Class 1 Gold positions were shared by two archers as they finished on the same score.

The scores given are those signed for by each archer, however the score in brackets is the score calculated when the scoresheets were double-checked. These mistakes didn't change any of the medal placements.

*Some archers chose to shoot at a shorter distance than required for their category, so were not eligible for medals.

** No totals given on one score sheet, no score recorded

Thanks to all the archers who took part in the Tina James Memorial Portsmouth, the shoot filled up pretty quickly which was great to see. Many thanks to those who helped set up in the morning and changed faces in the afternoon and to those who generously donated raffle prizes.

Congratulations to all archers who won awards, and thanks to all who stuck around to watch the ceremony and to collect awards for others on their behalf, quite a few archers missed out by not being there.

Warwick and fun day hosted by Links Archers

Saturday 25th May 2019 Lathallan School, Johnshaven

The Warwick round was shot in the morning followed by a splendid burger lunch provided by Lathallan South Africa fund group who sponsor an orphanage there. All profits from the shoot were donated to this worthy cause. After lunch it was open range on the Warwick field and a jelly bow clout on a separate range. The new rules for dual ranges worked very well allowing both ranges to operate at the same time. The jelly bow clout was shot at one of 2 distances 80yd or 60yd to accommodate those who could not reach the longer distance. The jelly bows were restricted to 20lb maximum. Thanks to all those who helped set up and clear away the range.

- Please note that because of the disappointing entry the junior medals were curtailed and no senior distance awards were given.
- In spite of the disappointing entry those attending enjoyed two perfect shooting days. A big thanks to all those who assisted especially to Stuart and Shirley Ward who were responsible for picking up and transporting the SAA bosses and for setting up the field. Thanks to Ayr Archery Club for their valued assistance and without whom this shoot would not have happened. Also special mention to the judges who carried out their duties proficiently and with good humour leading to a most enjoyable shoot
- Finally congratulations to all those who achieved their PB.s and to those achieving their Thistle Awards
