Awards Scheme

Progress Logbook

Introduction

Welcome to the Scottish Archery award scheme progress logbook. This document should allow you to track your development through the programme and allow for someone within your club to sign it off for you.

The award scheme is based on a 3 doz round using a 122cm face (except for compound which uses the 80cm face). The distance you will be shooting at is determined by the level you are at.

The main aims of the award scheme are to provide members with a simple way to track progress whilst earning some awards and to have an easy format that can be utilised during club time.

To take part is really simple, someone within each club assumes responsibility for submitting all award scores on behalf of the club. If no one in your club is currently filling this role then maybe there's an opportunity for you to get involved.

Once the club has checked and submitted the scores, Scottish Archery will send the awards direct to the club for distribution.

The award scheme is open to all and we really hope as many as possible take part. Whether you are a social archer or competing for Scotland you can take part at your own level and try to improve your score.

Many thanks

Tournament Organisers Group

Recurve (122cm face)

Level	Progress 1	Progress 2	Progress 3	Award Complete
White 20m	36	124	212	300
Signed				
Black 30m	150	200	250	300
Signed				
Blue 50m	150	200	250	300
