

2024 Home Nations Cup Outdoors Team Announcement

Following the recent selection process, we are proud to announce our Scotland squad for the upcoming Home Nations Outdoor Championships being held at New Century Bowmen near Macclesfield on 17th & 18th August. With over 40 applications for the places available, this was a highly competitive process and has yielded a team that blends youth and experience with a number of new Saltires earning their first cap.

The squad comprises 3 archers and a reserve in each of 6 categories, with the Saltires team taking on England, Wales and a mixed Home Nations team, which will be made up from unused reserves. All archers will have an equal shot at individual and team medals, with the trophy awarded to the Nation gaining most points in the Head-to-Head competitions.

Spectators are very welcome to attend and cheering for the Saltires is strongly encouraged.

Your 2024 Saltires for the Home Nations Outdoor Championships are as follows:

Recurve Women – LQS: 529.67	Recurve Men – LQS: 622.33
Linda Dallas	Shay Boyd
Debbie Geddes	Ross Macleod
Oksana Peterson	Cameron Radigan
Reserve: Gillian Imrie	Reserve: Erik Rowbotham
Compound Women – LQS: 606.33	Compound Men – LQS: 648.33
Robyn Geddes	Finlay Clark
Olivia Kendal	James Ross
Kirsty Robb	Kyle Scott
Reserve: Hannah Maison	Reserve: David Swart
Barebow Women – LQS: 444.33	Barebow Men – LQS: 433.33
Fiona Acamovic	William Anderson
Imogen Bannister	Steven Brison
Marion Johnston	Ben Clinch
Reserve: Sandie Graham	Reserve: Ian Jamieson

Huge congratulations to the team, and massive thanks to all those that submitted scores.

As part of increased transparency on selection, Lowest Qualifying Score (LQS) is indicated in each category so that budding Saltires can see what it took to qualify this time. There will be another chance to become a Saltire in the Autumn as we put together a representative for the Home Nations Indoor Championship, which will be held during the National Indoor Championships at the NAEC Stoneleigh on 4th-5th December. This process will be based on WA18 scores accumulated during 2024.
