### Equality

The equality information will be anonymised and only you will be able to see that it relates to yourself. The purpose of collecting this data is so we can see the demographics of our membership. For example X% have a disability. These high end statistics will be published from time to time and shared with other agencies as part of our commitment to the Equality Standards.

Have you ever identified as transgender?

- Yes
- No
- Prefer not to say

Which of the following best describes how you think about yourself?

Do you consider yourself to be disabled or have an impairment which affects your everyday life?

- Yes
- No
- I'm not sure
- I prefer not to say

What is your ethnic group?

### TEST CLUB 2 Member

Equality information is really important for showing the demographics of archery across Scotland. It also feeds into National reporting across sport and influences at government level.

Only you can see your own equality data and only you can input your equality data.

You have the option to add any coaching/judging qualifications or any other qualifications that you have gained at this point. You can add these later if you prefer through your profile under 'Credentials'.

Please make sure you select the area relevant to your club. For example if you live in the West but your club in under Eastern Area please select East from the drop down. Please don't forget to click 'add to cart'

Finally, if you have chosen an Associate membership the system will ask which club you wish to affiliate to. This doesn't guarantee you joining that club, the club admin still has to approve the request to join.
